## **Online Seminar on fundraising**

Medical University - Sofia is delighted to welcome the BI4E partners to an Online Seminar on fundraising, incentives, sponsorship and European funds applications. The main objective is to identify and learn about the different options to fund research projects and activities and optimise existing ones. They can help to expand and strengthen the university's research programmes and to improve the learning environment.

This project has received funding from the European Union's HORIZON-WIDERA-2021- ACCESS-05-01- European Excellence Initiative under Grant Agreement No. 101071321 – BI4E

# Wednesday 26th of June

13:45 – 14:00

## Closing remarks

Boosting Ingenium for Excellence (**BI4E**) project brings together leading higher education institutions from eight different European Member States.

By collaborating, sharing experiences, and supporting one another, we seek to transform our institutions and increase their global competitiveness, making them more attractive to international talent. The project also focuses on research and innovation missions and aims to enhance the strategic and operational capacities of partners in the widening countries.
